

## NEWS UPDATE FEBRUARY 2019

### DIVALL'S REACH NEW LENGTHS

Our new long reach excavator has been fitted out and is ready for your next hard to reach task.

With a reach of approximately 15 meters, more than double that of some of our smaller excavators, it's the perfect machine for dam and river cleaning, demolitions, or covering the extra distance needed to complete the job.

Currently, Divall's only have one long reach excavator in our fleet with bookings coming fast, so call (02) 4829 8200 to lock in your next project!
