NATIONAL TRUST (ACT) VISITS DIVALL'S

On the 25th of March Divall's Earthmoving and Bulk Haulage held a guided tour for the National Trust of Australia (ACT) members with a visit to our quarry to explore our product range and services. The tour included a guided bus trip through our quarry with a hands on experience to discuss our products and how we produce them.

The National Trust (ACT) group thoroughly enjoyed the tour which concluded with morning tea in our showroom. The National Trust (ACT) commended Divall's for our pride and enthusiasm for our workplace environment.

Divall's Earthmoving and Bulk Haulage would formally like to thank the National Trust (ACT) for the opportunity.
