NEW DUMP TRUCK FOR OUR NEW BREED OF CIVIL WORKERS

This week Divall's took delivery of a new HM300 Komatsu Articulated Dump Truck.

Kylie Hinton, one of our women operators will be manning this machine, and enjoying the creature comforts of air conditioning, electronic monitoring and specially designed cab for noise reduction.

The machine when fully loaded weighs in at approximately 51.5 tonnes with a capacity of 30 tonnes.

Kylie was also one of the recipients of our Truck Driver Licence Sponsorship and is keen to make her mark on both the civil and trucking sections of the business.
