

HUME HIGHWAY ACCELERATION LANE 'FULL SPEED AHEAD'!

In late 2017 Divalls secured works with Gunlake Quarries to complete an upgrade to Brayton, Ambrose and Red Hills Roads and an acceleration lane to the Hume Highway.

These works are now nearing completion with final sign offs expected late July to early August.

The job itself involved the clearing and widening of roads and the addition of an acceleration lane onto the highway.

The jobs required:

- 24 hour traffic control.
- 38,000 m² of bitumen seal.
- 33,500 m of line marking.
- Construction of 8 new bus bays.
- 2000 m of guardrail.
- 600 m³ of concrete.
- 21,000 m³ of DGS20mm road base.
- 16,600 m³ of excavation for pavement.
