

'ROCKY' HILL CAR PARK

The Rocky Hill Carpark upgrade is now complete!.

Divall's have been working on site since early this year and have completed additional carparking, new pathways and a lookout area encompassed by stone retaining walls, all sourced from site.

Council will now take over the site and finalise the landscaping and other touches, to make the Rocky Hill Monument an even greater attribute to the local community.

The area will be open to the general public in mid August, with the War Memorial now well set-out to facilitate any event.

Divall's management would like to thank site supervisor Ben Green for a great project outcome.
