## June 2011

**Divall's Earthmoving & Bulk Haulage** are proud and excited to announce that on 27<sup>th</sup> May our company was awarded the Inaugural TruckSafe John Kelly Memorial Award for 2011.

This award was presented by the Australian Trucking Association (ATA) at the annual National Trucking Industry Awards held in Canberra.

The **TruckSafe John Kelly Memorial Award** recognised our Company as one of the ATA's TruckSafe accredited operators that have demonstrated the highest level of commitment to safety and meeting the standards required by the TruckSafe system. Jodie Divall had commenced the TruckSafe accreditation system in 1999. Through the continued dedication of our staff we maintain to meet and remain TruckSafe accredited.

TruckSafe is the ATA's business and risk management system, aimed at improving the safety and professionalism of trucking operators nationwide.

TruckSafe is about meeting 4 key standards within the industry, which are :

- Management – documented business systems which cover each of the standards.
- Maintenance – ensuring vehicles and trailers are kept in a safe and roadworthy condition.

- Workplace & Driver Health – ensuring that drivers are fit, health and OHS requirements are met. This includes fatigue management.
- Training – ensuring that drivers are licensed, authorised & trained for tasks.

We are very honoured to be presented with this award and would like to thank our committed staff whom continue to deliver our services at the highest standards to our valuable customers and clients.
