FEBRUARY 2016

NEWEST ADDITIONS TO DIVALL'S TRANSPORT FLEET !

In late 2015, Divall's Earthmoving & Bulk Haulage took delivery of two new PBS 4 Axle (Quad) Trailers. These Trailers have a 34 Tonne Pay Load and are monitored under the RMS' strict Intelligence Access Program (IAP), and operated on Higher Mass Limit (HML) Network Routes.

Due to the high demand for products to be transported both economically and quickly, Divall's Management are pleased to offer our customers the latest in transportation solutions. These trailers also include the following benefits:

- Decreased fuel consumption (per tonne)
- Increase in carrying capacity
- Increased productivity
- Minimised number of trips

For all your Bulk Haulage needs, please contact Troy on 02) 4829 8200.
