

NEWS UPDATE

Recycling of Green Waste and Concrete

Recycle your green garden waste at Goulburn Sand & Soil for just

\$1/otto bin or \$5/trailer load

Bulk loads - \$30/tonne + GST

All material dropped off at our depot is mulched and recycled into our exciting new EcoSoil. Our EcoSoil product is great to use on your garden!

Please be aware of the sizing of stumps, large logs, and trees. Divall's accept larger items or large trees at their Carrick Quarry depot, located on the Hume Highway.

Please also be sure not to contaminate the green waste with any products such as rubbish or concrete.

Goulburn Sand & Soil and Divall's Carrick depot also accept all of your clean concrete, brick & tile waste, and use it to recycle into road base and aggregates.

Recycle your concrete waste at Goulburn Sand & Soil for just

\$20/tonne + GST

Bulk loads to go to Divall's Carrick Depot - \$15/tonne + GST

Concrete that is dropped off is to be clean, and free from contamination such as asbestos, dirt, rubbish and rio.
