

DIVALL'S MECHANIC MOTORS AHEAD !

Congratulations & well done to Divall's mechanic, Stephen Corby, of Goulburn, who was named the Illawarra Institute of Technology, Goulburn, Student of the Year, for 2014.

In addition to this accomplishment, Stephen was also ranked in the top 10% of the State, within the TAFE NSW system.

Stephen commenced his adult apprenticeship with Divall's, as a Heavy Vehicle & Plant Mechanic in January, of 2012. Due to Stephen's commitment & dedication, he successfully completed the 4 years of scheduled study, within three years of undertaking his apprenticeship.

Stephen is a well-liked, conscientious member of the Divall's Mechanical Workshop, & has made a significant contribution to the workplace, during his time within the Organisation.

Everyone at Divall's, would like to congratulate Stephen, & his family, on his tremendous efforts & achievements, & wish him continued success within their Organisation, & in the future.
