

NEWS UPDATE July 2013

Laurie Maberly Retires

On Friday, 5th July 2013, Divall's Earthmoving & Bulk Haulage said a fond farewell to long time employee, Mr Laurie Maberly. Laurie started with Divall's on the 26th March 1998, operating a D5 Bulldozer. During his 15 years of loyal service, Laurie proved that his operating skills are second to none whilst completing complex civil construction works on a daily basis.

Laurie will be missed by all his work colleagues, both out "in the field" and back at the Carrick Quarry Pit, he was an asset to Divall's. Laurie plans to spend his retirement working on his family farm with not a worry in the world ! We cannot thank Laurie enough for his hard work, dedication and reliability over the past 15 years. We wish him all the best for a long, healthy and happy retirement.
