

NEWS UPDATE SEPTEMBER 2014

15 YEARS ACCREDITED WITH TRUCKSAFE!

On the 14th of August, 2014, 5 personnel from Divall's Earthmoving & Bulk Haulage travelled to Adelaide to attend the 2014 NatRoad Conference been held over 3 days.

The theme of the conference was 'This Is The New Beginning', and the program included a wide range of delegate forums, expert speakers on key industry topics and the Cummins and Paccar & Paccar Dealers Gala Dinner.

Included in the awards category of the night is the award of Acknowledgment for 15 Years of Accreditation with TruckSafe, and this year, Divall's was presented with this award. TruckSafe is the Australian Trucking Association's business and risk management system encompassing four key standards which include:

- Management
- Maintenance
- Workplace & Driver Health
- Training

Through continued dedication, we are able to maintain to meet and remain TruckSafe accredited. We are very honoured to be presented with this award and would like to thank all of our committed staff whom continues to deliver our services at the highest standards to our valuable customers and clients.
